Steady, boys!

Judge Knox "also ran."

Hueston made a gallant fight.

Don't be discouraged, Black Men; the Eighth will redeem herself in 1920.

Is it true that the white Republicans of the Eighth banded with the Democrats to beat Hueston? If so, then we will "meet them at the Phillips."

We know of at least one great Negro orator who ought to be told that vanity and conceit are not virtues.

Hueston was not beaten. He was simply cheated out of his honors by the trickery of the political machine in charge of the election.

Without any show of egotism The Sun can see as far into a political situation as anybody else in this community, and it knew the crash was coming!

If Judge Miles Bulger wants to be presiding judge of the county court again, as the Star intimates—Why Judge Bulger WILL BE PRESIDING JUDGE AGAIN, in spite of the twinkling Star—that's all.

Although the election judges and clerks are by law supposed to be bipartisan they are not by any means nonpartisan. Hence votes can be switched or thrown out just as the prejudice of the poor white man finds it necessary to beat the Negro.

The police were powerless in quelling the mobs which for over a week destroyed both life and property without reserve, but the guardians of the peace used their clubs freely upon poor, unarmed Negroes who only claimed the right to cast their votes on election day.

A nation that is weak at home cannot be very strong abroad. If the education of the American people indicates the mob spirit in every phase of life, thus disregarding right and justice at every turn, then how can we as a nation be greatly respected or feared by any other nation?

The Sun acknowledges the receipt of a neatly bound little volume printed in patriotic colors entitled "A Tribute to Negro Soldiers," by John E. Bruce, author of "Blood Red Record," "No Heaven for Negro," Biographies of Eminent Men and Women," etc., etc., and published by the Franklin Press, Kansas City, Mo. They are only 25 cents a volume and every Negro should have one in their homes.

## NOTICE.

Next week we shall have an article from the pen of Prof. A. B. Pittman, teacher of "Economics and Home Gardening" in Lincoln High School, on "How to Grow a Garden," which we earnestly request all our readers to give special attention. Prof. Pittman had wonderful success with his garden last year and he is going to show you how you can have the same degree of success.

Democracy was fortunate in having such astute and intelligent leaders among its Negro adherents as Dr. Howard M. Smith, Dr. William J. Thompson, Dr. E. B. Ramsey and Mr. A. V. Monahan, all of whom are men of standing in this community and who did much to roll up the tremendous Negro vote in this city for the Democratic candidates. Whether we like it or not, it is becoming more and more evident that Negroes are going to be guided by issues and not prejudices and we may expect to have Negro Democrats in larger numbers unless the Republican Party does its duty without fear or apology by the Negro voters.

The Sun was delighted to hear of the appointment of Rev. Henry Mansfield Collins, who was born and reared in this city, and pastor of A. M. E. church at Hutchinson, Kas., in the National Army and assigned to the 309th Battalion, stationed at Newport News, Va., where he reported April 6. Rev. Collins spent several days in this city and visited at Allen Chapel Easter Sunday morning and preached for Rev. Bacote Sunday night. His charming wife is also a Kansas City girl, formerly Amelia Davis, who was a teacher in our schools.

## Betty & Sam's Little Corner

## THEY SAY

—That some evil-minded Negroes tried to make it appear that Betty and Sam were criticizing Dr. Theodore Smith when it spoke of Sunday advertising in the Star. Betty and Sam say they lied, because Dr. Smith is the best patron of Negro newspapers in the West and ranks up with the Poro and Madame Walker people in up-to-date advertising.

—That at a recent conference of Baptist ministers where various Biblical names were discussed, one minister remarked, "Of all the names I see printed in my Bible I love best the name of John the Baptist, because I have never seen the name of John the Methodist or John the Episcopalian printed in no Bible."

—That you can't gauge Judge Knox's ability by the size of his vote. No, oh no!

—That if there were more game and courageous Republicans like Drs. Carrion and Lambright the party would win more victories.

—That our old friend, G. W. K., may survive the shock, but he'll never look the same.

—That Roscoe, like the letter, came "too late."

—That the man who doesn't pay his Wheatley-Provident Hospital pledge is a "slacker."

—That a true friend is the fellow who continues to speak to his old friends after he becomes prosperous.
